

Key Features:

- ◆ 4-Way Extension Socket – Converts one outlet into four grounded sockets
- ◆ 4 USB Charging Ports – Charge smartphones and tablets simultaneously
- ◆ USB Output: 5V / 2.1A
- ◆ Auto Current Limit Protection – Stops abnormal power usage automatically
- ◆ Over-Current Protection – Built-in electrical safety protection
- ◆ Child-Safe Shutter Design – Prevents accidental contact
- ◆ Power Indicator Light – Shows working status clearly
- ◆ Heavy-Duty Power Cable – Suitable for home and office use

Technical Specifications

Specification	Details
Brand	GeTX
Model	MTS-160
Product Type	Power Multiplier / Extension Socket
Number of AC Sockets	4
Number of USB Ports	4
Rated Voltage	250V
Rated Current	10A
Rated Power	2500W
USB Output	5V / 2.1A
Cord Length	3 Meters
Cable Type	H05VV-F
Cable Size	3 × 1.0 mm ²
Terminal Material	Brass
Indicator	LED Power Indicator
Color	White

Safety & Protection Features

- Over-current protection
- Auto current limiting
- Child-safe shuttered sockets
- Grounded AC outlets

Applications

- Home and office environments
- Charging smartphones and tablets
- Computers, TVs, and office equipment
- Safe power extension for daily use
